Xerox® WorkCentre® 7800i Series Colour Multifunction Printer

Transform the way you work.

Xerox® WorkCentre® 7800i Series Colour Multifunction Printer

Xerox gives you the tools and technologies that make it possible to automate common office workflows, and to greatly simplify the ways in which you share business-critical information. For more information, visit www.connectkey.com

Enabling More Time for the Work that Matters Most

Experience a simplified, and intuitive user interface that can be tailored for your individual business needs. Easily create a workflow that enables you to scan information to your selected destinations, (email, desktop, network folders, cloud repositories) in secure text searchable formats, at the touch of a button. This saves time, and allows more to be done with the information you scan and store.

Embedded apps allow you to easily connect your mobile workers to the device. Xerox App Gallery allows you to download new apps, such as Print from DropBox™ and Scan to Microsoft® Office 365 directly from the user interface. Xerox® ConnectKey® Technology helps to streamline how your business deals with critical information—in-house or in the cloud.

Apps are available at the Xerox App Gallery. Visit www.xerox.com/AppGallery

Innovative Ways to Maximise Efficiency and Minimise Costs

Xerox® print drivers based on Microsoft® Windows® give you the ability to save different settings per application, minimising the need to make changes and reducing the risk of potential errors. Xerox® ConnectKey Technology evolves with your needs by restricting usage and regulating colour printing. The User Permission control integrates with your internal authentication system, allowing you to prevent pre-determined or non-authenticated users from seeing specific features on the user interface.

Xerox is here so you can connect anywhere.

The WorkCentre 7800i series allows you to control device functions from any workstation. The Remote Control Panel makes it more convenient to train users and for IT staff to remotely view and monitor the user interface.

Xerox® devices built on ConnectKey Technology support a Wi-Fi Direct connection that lets you print from your mobile device without having to connect to a network.

Xerox enables secure and accurate printing and scanning with a continuum of mobile options that fit your environment, with free print and scan apps, such as Xerox® Mobile Link App, plus a robust set of mobile enterprise solutions.

Continuing the Innovation

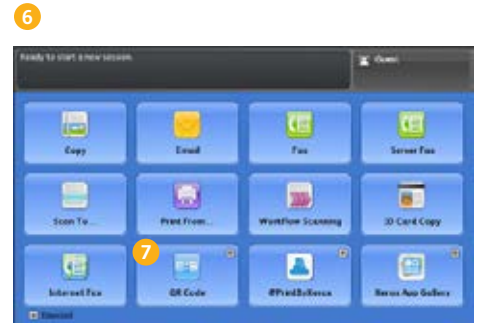

- **High-resolution output.** 1200 x 2400 dpi, photo quality colour images and crisp text give your documents clarity and impact.
- **Harness the power of Fiery.** Upgrading your WorkCentre 7800i series with an EFI® Fiery® Network Server gives you a host of benefits including colour management tools, enhanced productivity and flexible workflow tools.

Xerox® Easy Translator Service.

This optional service allows customers to scan a document and receive a translated print and/or email notification. Users can also send an image from an iOS or Android device, or a PC, that is forwarded for translation. For more information, visit <https://xeroxtranslates.com>

- 1 High-Capacity Feeder holds 2,000 sheets of paper.** This brings the maximum capacity up to 5,140 sheets. The Xerox® WorkCentre® 7830i/7835i models are available with capacities of 2,180 or 3,140 sheets.
- 2 Exceptional media flexibility.** The WorkCentre 7800i series handles a wider range of media types and weight from more trays than most devices in its class. It supports up to 300 gsm and media sizes up to 320 x 483 mm.
- 3 Print envelopes easily** using our optional envelope tray (replaces Tray 1).
- 4 Large work surface** (recommended for Convenience Stapler) gives you plenty of room to sort documents.

- 5 Dual-head, single pass scanner** on the WorkCentre 7845i/7855i saves time by simultaneously scanning both sides of two-sided documents at up to 133 impressions per minute. The WorkCentre 7830i/7835i uses a Duplex Automatic Document Feeder scanner that scans at up to 70 impressions per minute.
- 6 Customisable 8.5-inch user interface.**
- 7 Standard apps for extra convenience.** Xerox App Gallery, @PrintByXerox and QR Code help with mobile printing and pairing and loading new apps.

- 8 Professional Finisher*** adds 50-sheet multiposition stapling, hole punch, V-fold and saddle-stitch booklet making.
Office Finisher LX* (not shown) gives you advanced finishing functions and offers optional booklet making.
Integrated Office Finisher (only for WC7830i/7835i)* (not shown) provides 500-sheet stacking and 50-sheet, single-position stapling.

* Optional

Environmental Features

Conserve energy with green technologies.

- **Xerox® EA Toner.** Our EA Toner with ultra low-melt technology achieves minimum fusing temperature at 68°F (20°C), lower than conventional toner, for even more energy savings and brilliant glossy output.
- **Induction heating.** The newly developed, heat-efficient IH fuser does not require preheating, which helps reduce power consumption in standby mode by 44 % compared to a resistance heating device.
- **LED scanner.** The power consumption of the scanner is one-third of traditional scanners using fluorescent lamps.

Manage resource usage and print responsibly.

- **Energy Management.** With Cisco EnergyWise®, enabled by Xerox® Power MIB (Management Information Base), you can control, manage and report your device's power consumption information, and set optimal power states and timeout intervals.
- **Earth-smart printing.** Our innovative new Xerox® Earth Smart feature allows you to choose the most environmentally sensitive options for your print jobs.
- **ENERGY STAR® qualified.** WorkCentre 7800i series devices meet the stringent ENERGY STAR® requirements for energy use.
